any aggressive measures on the part of Turkey, such as attacks upon the lives and property of Italian subjects in Turkey, in which case it is underptood a naval demonstration will be made before Smyrna immediately.

The material difficulties of those operations have been given full consideration. The memory of the calamitous Abyestnian campaign has been called up by the government which realizes that the failure of the proposed expedition would be a grave disaster. Accordingly most careful precautions have been taken. The Turkish forces in Tripoli are estimated at a minimum of 30,000 men. To cope with these Italy will send her whole fleet and an expeditionary force of 50,000 men.

Heavy Freight Crashes Into the "Eighteen Hour" Train.

Pittsburg, Pa., September 24.—Train 28 on the Pennsylvania Railroad Known as the "Eighteen-Hour Flyer" between Chicago and New York, was in collision thirty minutes after leaving this city early to-day, killing one trainman, injuring four others, and one passenger. The train had left hirrait 12:50 and after passing the Pitcalra freight yards, where there are crossover tracks entering the yards, the train was held by the towerman near Larimer, twenty miles east of here While the train was at a standstill a train of fity empty freight cars was let in on the same track and crashed into the flyer, head on. It is thought that the towerman, anxious at the delight and one offered him \$5, saying: "Casufferr, you have been very nice to us, and this is a little token of our appreciation. All embarrassment on both sides was saved by Mr. Norman replying: "Thank you, but we were forbidden to take tips from any of the guests."

Spartanburg, S. C., September 24.—
Three companies of State militia—
Greenville, Spartanburg and Clifton—
are under arms to-night by orders of
Governor Blease to hold themselves in
readiness to assist to-morrow in the
operation of the city's street car system, which has been tied up for several days on account of a strike of
motormen and conductors.

Mayor Lee has asked for a conference with Adjutant-General Moore to
discuss the advisability of placing
troops in charge of the operation of
the system until the strike is settled.
The adjutant-general is now en route

PUTNAM HOME ROBBED

Burglar Also Tries to Enter Greenwich House of James F. Waish.

Greenwich, Conn., September 24.—A burglar paid the Greenwich homes of Israel Putnam, of New York, and Judge James F. Waish a visit Friday night. Two valuable gold watches, about \$75 in cash and other valuables were missing when the Putnam family got up this morning. The silver was found—tied up in the table linen and carried out of the dining room. The burglar actually took several articles from the room where a son of the family was sleeping.

Judge James F. Waish and his wife were awakened by noises coming from the plazza roof at about 2 o'clock, and listening a few moments made out the sound of a man creeping along the roof to a window of their room. The burglar opened the shutter so that he could peer in Judge Walsh turned on the lights and ran to the window in time to see a man throw himself over the edge and clamber down a porch.

A policeman was notified and made a search, but was unable to catch the intruder. It is believed by the police that the burglar was the same who recently visited many homes in Mount Vernon, New Rochelle and Stamtord.
